Appreciation is expressed to Dawn Thompson, Kathy Seals, and Peggy Carroll for their dedication to the task of typing and assembling this research summary.

ARS Mission

The Agricultural Research Service conducts research to develop and transfer solutions to agricultural problems of high national priority and provides information access and dissemination to:

- *ensure high-quality, safe food and other agricultural products,
- *assess the nutritional needs of Americans,
- *sustain a competitive agricultural economy,
- *enhance the natural resource base and the environment, and provide economic opportunities for rural citizens, communities, and society as a whole.

The United States Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, sex, religion, age, disability, political beliefs, sexual orientation, or marital or familial status. (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202)720-2600 (voice and TDD).

To file a complaint of discrimination, write USDA, Office of Civil Rights, Room 326-W, Whitten Building, 1400 Independence Avenue, SW, Washington, DC 20250-9410, or call (202)720-5964 (voice or TDD).
